

Make it better:

Ephesians 3:17-19

Fullness of God:

His attributes, Character, Perfection, Holiness, Power

Love of God:

Others first, right attitude, contagious, conquers all, serves

Reflect and respond:

God should dwell, power through the body of Christ, power in Christ, God loves you, His love drives us, His love completes us, His love is unconditional

Choose Honor:

1 Peter 2:13-17

Honor is not forced

Honor goes all directions

Above, beside, below

There is always opportunity to honor

Forgiveness is honor

You can honor no matter what

Reflect and respond:

Honor God, honor teammates, love people like God does, honor isn't common, honor seems weird to people who don't know God, honor doesn't take sides, it's not taking revenge, honor is toward a position and respect is earned.

Bring the fun:

Proverbs 30:32-33

Reflect and respond:

Use a filter, build each other up, think before you speak, actions have consequences, self evaluation, Don't be afraid to stand out.

What does it mean to bring the fun?

You set the tone, check your heart attitude, you create the fun, attitude is contagious, don't isolate,

How can we bring the fun?

Be excited, Be at a level 10, include people, bring value to people

We can bring the fun no matter what.
