

Standing on the promises of God wk 2:
Confess and be forgiven
1 John 1:9

Confessing: An agreement with the Holy Spirit that you have made a mistake.
An outward expression of this are things like, “I missed it”, or, “I shouldn’t have done that”.

Confessing also means that you are going to take the appropriate actions to make it right. This means, you acknowledge you’ve made a mistake, ask for forgiveness, and move on doing your best to not do that again.

He **IS** faithful to forgive. **Faithful** means **Reliable**. **Reliable** means if He says it, we can trust and believe it.
