

Standing on the promises of God wk 3:
God is always there
Deuteronomy 4:29

If you truly want to hear from God, your actions will show it. God is always there, waiting for you to give Him full access to your life.
You will always be able to find God, no matter where you are, what you are doing, or who you are.

Action:

Action is movement.

There:

Where you are.

Where is God in xyz situation?
What if you aren't asking from your heart?

In order for God to move, **YOU** have to allow Him to have his turn. (Submission)
