

Standing on the promises of God wk 4:
God will move in your life
Isaiah 30:19-19

God will meet your needs through mercy & compassion.

God's mercies, and compassion, is renewed on a daily basis, throughout the day.

In order for God to move, you have to let him **(Mark 11:22-23)**

God is waiting (for you to ask Him) to show you mercy (help/provision) and is rising up to show you compassion (A characteristic of God, doing good on your behalf).

Summary: No matter what is going on, God will answer and move, when you ask Him to with your whole heart.

This requires sacrifice. We sacrifice, so we can grow through His movement.
